

SUMMARY

I'm a third-year Computer Science Engineering student with a strong interest in UI/UX design. While I have a background in programming language. My real passion lies in creating intuitive and visually appealing digital experiences. I'm eager to learn and apply UI/UX principles, improve my design skills, and gain hands-on experience. I'm looking for opportunities to grow in this field and contribute to building user-friendly interfaces.

CAREER OBJECTIVE

Aspiring UI/UX Designer with a strong foundation in computer science, seeking to leverage design thinking, user research, and prototyping skills to create intuitive and impactful digital experiences. Passionate about bridging the gap between aesthetics and functionality to enhance user engagement. Eager to contribute innovative solutions in a dynamic and growth-oriented environment.

EDUCATION

- **Bachelor of Technology : Core Computer Science & Engineering**
Panipat Institute of Engineering and Technology, Samalkha , Panipat
Kurukshetra University, Kurukshetra, Haryana
2022 - 2026
- **Sr. Secondary & Secondary Education : Non - Medical**
Arniko Awasiya Secondary School, Biratnagar, Morang
NEB , Nepal
